

BOOKS, BEARS and BLANKETS

St Joseph's Book Week Launch

The theme of Book Week is **Australia: Story Country**. Our Books , Bears and Blankets picnic lunch will be a fun celebration of our love of reading.

Secondary students will move around the groups and share Australian picture books with the children. Parents and other family members are most welcome to join in.

After our picnic celebration, visitors are welcome to visit the library, enjoy our special displays and browse through Book Fair—purchasing is also an option.
