

BOOKS, BEARS and BLANKETS

St Joseph's Book Week Launch

The theme of Book Week is "Escape to Everywhere." Our Books , Bears and Blankets picnic lunch will be a fun celebration of our love of reading.

Secondary students will move around the groups and share picture books with the children. Parents and other family members are most welcome to join in.

After our picnic celebration, visitors are welcome to visit the library, enjoy our special displays and have a look at all the amazing short-listed books for this year!
