

# C@L:

## *Coding at the libraries*

A fun new program for kids aged 8-16

**Where:**  
Warwick library meeting room

**When:**  
1st Monday of the month

**Time:**  
3.30pm – 4.30pm

**Starting  
March 4th**

Use the Spheros, Ozobots & iPads provided by the library to create obstacle courses and race against your friends, build your own LEGO extensions, make them jump and spin – get creative and let your imagination run wild!
